WHAT IS CRIME STOPPERS?

We are concerned citizens of West Contra Costa County who seek to assist our police departments in the solving of crimes of a serious nature. Our goal is to provide a crime free environment for our families and businesses.

We are all volunteers from the communities in West Contra Costa County who provide funds through various events we host to persons who provide information that will assist in the solving of crimes in our communities.

We will pay up to \$ 1,000.00 for such tips.

The tips are provided anonymously to our tip line and no names or further information is required. The caller is to give a code name of their choice and the information is sent to the police department of jurisdiction. We do not investigate the crime ourselves!

When the crime is solved and the story is in the local newspaper the tipster is to call and seek the reward. The amount of the reward will be determined by our board of directors and a representative of the police department who solved the crime. It will be paid in cash to the tipster with only their code name as identification..

Please help us to help our police departments solve the crimes that can only be solved by a tip from someone who has information but does not want to be identified..

We are indorsed by every department in West Contra Costa County.
